

JAMES C. HUTCHINSON, JR. SCHOLARSHIP

**CONNECTICUT
CHAPTER**
CLUB MANAGEMENT
ASSOCIATION OF AMERICA

James C. Hutchinson had a vision for his family, his friends, and his career. A second-generation Club Manager, Jim followed in the footsteps of his dad, James Sr. a dedicated Club Manager that shared his career with many members throughout his lifetime. Jim never ventured too far from where his roots began. He was devoted to his beautiful wife Debbie, and raised two amazing children. His friends and family were his life. He would give anyone the shirt off his back and was loyal to the very end. His career started and ended in virtually the same place and he was a firm believer of educating any young person that was dedicating their career path to the hospitality industry. Jim influenced many young people in his years teaching Hospitality Management as an adjunct professor at Norwalk Community College. Jim also mentored young interns in our field at our CMAA National Conference. Jim was all about knowledge and education. His service to our association was abundant from his tenure as the association treasurer, education committee, and the countless hours he spent assisting every other chairman with the work they performed for our benefit.
