Position Availability: Beach & Pool Director

The position available is for Beach & Pool Director at Shenorock Shore Club, a private member-owned club in Rye, New York. This active, family-orientated Club has 650 members including 335 Regular family members. The aquatic facilities include a zero entry kiddie pool, an eight lane regulation lap pool with a diving well, slide and a gradual entry area. A large well-groomed beach with a defined swimming area overlooks Long Island Sound. The Beach & Pool are open 7 days per week Memorial Day Weekend through Labor Day Weekend. In addition to swim team and summer camp programs, the membership enjoys an active summer season with the beach & pool being an important part of the daily activities.

Position Description: The Beach & Pool Director is responsible; 1) to ensure a safe, clean and appealing beach & pool facility, 2) that the Club is compliant with all Federal, State and County laws and established Club policies, 3) to recruit, hire, train, supervise, and evaluate all aquatics staff, 4) to maintain all necessary records in accordance with the Westchester County Board of Health, and 5) other duties as provided in the full position description. Importantly, the Beach & Pool Director must be able to develop people and motivate them to maintain friendly, high quality service to the members and their guests.

Qualifications: Current Certified Pool Operator (CPO), lifeguard and beach certifications, and Water Safety Instructor (WSI) required, prior experience as a pool director required, beach experience a plus.

Compensation: Salary commensurate with experience and qualifications.

Position is available for the 2023 season and beyond. Please forward a resume, references and salary history in confidence to:

Richard LaCoursiere, Jr., CCM
