## Canoe Brook & Opportunity

### THE CLUB

This Platinum Club of America (PCA) was founded in 1901 and is located approximately 30 minutes from NYC. The Club completed a \$25 mil Clubhouse, Pool House, and Performance Center renovation project in 2016 and continues to invest annually in the Club's infrastructure and amenities. Canoe Brook has 36 holes of championship golf, tennis, paddle tennis, a pool complex and performance center. The Club serves an active, family-oriented membership six days a week for lunch and dinner and is open 11 months a year. Gross annual revenues are \$18,000,000 with Food and Beverage revenues of \$4,300,000 with a 60/40 split between Member dining and banquets.

### OUR DINING

Canoe Brook is home to over 3,000 men, women, and children who proudly contribute to Club life and keep alive the Club's traditions that were begun more than a century ago. We boast a bustling 350-seat restaurant involving 4 dining options for Members and their guests, both indoors and out. Banquet facilities host private events as well as Member functions year-round for up to 700 people.

### THE ROLE

Join the high-energy team of the only PCA Country Clubs in NJ! Canoe Brook Country Club has grown in membership involvement and events and is expanding our leadership team accordingly. We are seeking an experienced Food Service Manager who will help us build more sophistication into our operations. This is not your average restaurant job! We are looking for the right people to join our devoted, caring, and creative team of talented hospitality professionals who provide exceptional experiences for our Members and guests.

## Qualifications & Benefits

### WHAT YOU DO

You will be working with seasoned and learning service professionals to ensure dining formats at the Club operate smoothly. There is never a dull day, and an organized, clear communicator with industry experience to conduct service in varied environments is our ideal candidate. Canoe Brook hosts intimate events in our private Wine Rooms, corporate and charitable golf outings, pool parties, and Member-hosted banquets all while operating our ala carte dining venues. In an ever-changing environment, we seek a candidate that is a confident hospitality professional and is adaptable to lead the team throughout our eventful calendar.

### OUR RESOURCES

To better help you thrive and flourish in the hospitality industry, Canoe Brook Country Club offers Professional Development reimbursement (CMAA National, and Local Membership Dues). Our Food and Beverage team comprising of Service Manager, Sommelier, Bar Manager, Director of F&B, and the Catering Department add to your resources for success in this role. Support follows through from Membership Committees and assorted department heads for a cohesive work experience.
