

Executive Chef Position: Manasquan River Golf Club

Manasquan River Golf Club is recognized as a New Jersey Premier Golf Club and is seeking an experienced Executive Chef to continue its legacy as such. Annual food and beverage sales are \$2.5 million. The club operates five days in the off season and six days a week in season. Multiple outlets consist of a Main Dining Room, Mixed Grill Room, Great Room, RiverView Grill Room and Patio, RiverView Terrace and Men's Grill patio area as well as a halfway house facility.

The Executive Chef is responsible for all food and beverage operations while working closely with service personnel and management to ensure quality and innovative services, products and offerings for the enjoyment of its members and their guests.

The Executive Chef is a working chef who leads, manages, motivates and directs the culinary team to achieve the established objectives of the club while maintaining the highest standards imaginable. The Executive Chef shall create and maintain standard operating procedures for the kitchen and ensure that all staff members comply with these standards.

Salary commensurate with experience. Interested candidates please e-mail a cover letter and resume to kcasuz@mrgc.com.
