Special requests:

Keep in mind...

1. Self-Sufficiency: The host club does not provide equipment. Please ensure self-sufficiency. Bring any necessary items such as extension cords, chafing dishes, stoves, and a small trash receptacle.
2. Table Arrangements: Each station will be equipped with one 8-foot table and a cloth. If you require a back table, kindly bring it with you on the day of the event.
3. Menu Submission: To offer a diverse and engaging experience to showcase attendees, we aim to avoid duplicating food items. Please submit your menu promptly, allowing you the opportunity to present your first choice. In the event of duplicate entries, we may request a re-submission.
4. Power Considerations: High amperage equipment that draws excessive power is discouraged

Thank you for your submission. Your participation promotes the philanthropic advances of the Connecticut Chapter and the betterment of our community.
